## **ENVIRONMENTAL POLICY**

The Directors of Roland Hill Limited, Brayton Domain, Aspatria, Wigton, Cumbria, CA7 2BD who are general building contractors, plumbers and mechanical service engineers recognise their responsibility to manage the environmental impacts of our activities, products and services.

The company recognises that its operations have an impact on the environment and has determined this policy in an attempt reduce this impact as far as is practicable and in order to assist this policy the company will;

- Comply with the requirements of environmental legislation and approved codes of practice
- Assess the environmental impact of all historic, current and likely future operations
- Recognise that compliance with relevant environmental legislation is a minimum level of performance
- Continuously seek to improve environmental performance
- Prevent pollution, reduce emissions and waste
- Reduce the use of all raw materials, energy and supplies
- Expect similar environmental standards from all suppliers and contractors
- Assist customers to use products and services in an environmentally-sensitive way
- Liaise with the local community wherever possible.
- Participate in discussions about environmental issues.
- Undertake education and training of employees in environmental issues and the environmental effects of their activities
- Monitor progress and review environmental performance on a regular basis through targets.

Major areas of reduction of impact will include;

- Transport
- Recycling of packaging materials
- Minimization of waste

- Efficient use of water and energy
- Use of biodegradable chemicals
- Minimizing use of solvents
- Use of timber from sustainable (managed) forests
- Procedures to minimise noise disturbance to neighbours

C R Hill  
Managing Director
